

Students can present papers on any one of the sub themes.

- * Time limit : 5 minutes per paper
- * LCD, OHP facilities are available
- * Abstracts (150 words) of the paper should be typed in MS word (Times New Roman, Font Size 12pt)
- * Registration fees Rs. 100 per student
- * Along with certificate three cash prizes will be awarded
 - First Prize - Rs. 2500
 - Second Prize - Rs. 1500
 - Third Prize - Rs. 1000
- * Abstracts (Soft copy CD-labelled and a hard copy) should reach the address* on or before 19th Sept. 2011.
- * Abstracts received after this date will not be printed in the proceedings to be released on the day of seminar.
- * A college should be represented by a minimum of two students. More than two students may participate by paying registration fees.

PROGRAM

09-00 to 10.00 am	Registration and Breakfast
10.00 to 11.00 am	Inauguration
11.00 to 01.30 pm	Presentation of papers
01.30 to 02.00 pm	Lunch
02.30 to 04.00 pm	Presentation of papers
04.30 to 04.45 pm	Tea
04.45 pm	Valedictory & Prize Distribution

ORGANIZING COMMITTEE

President : **Prof. V. B. Hiremath**
Principal Grade-I

Organizing : **Prof. V. Y. Vasanaad**
Secretary Department of Chemistry

ADVISORY COMMITTEE :

Dr. R. S. Totagi
Dr. M. I. Sambrani
Prof. A. B. Shyadgeri
Prof. (Smt.) S. M. Patil
Prof. V. P. Gaonkar
Prof. R. S. Badiger
Dr. S. B. Koujalagi

ABOUT KLE SOCIETY, BELGAUM

Dr. Prabhakar Kore, M.P.
Hon'ble Chairman

The KLE Society, which was founded in 1916, has been playing a key role in the academic and socio-economic uplift of North Karnataka in particular and at both the National and International level in general. KLE Society imparts education in every branch of knowledge, ranging from KG to PG. At present there are 211 educational institutions run by KLE Society. The Society offers courses in Science, Arts, Commerce, Medicine, Dental Science, Nursing, Pharmacy, Physiotherapy, Engineering and Computer science, Agriculture, Business Management, Hotel Management, etc. KLE Society's institutions of higher education are spread all over the country. The Society has collaborated with prestigious educational institutions of UK, USA, Malaysia, Zambia and China. Recently all the Medical and Dental Institutions of KLE Society have been brought under one umbrella called KLE University.

Dr. Prabhakar Kore Hospital and Medical Research Centre, Belgaum which is a 1800 bedded hospital, is the only state-of-the-art hospital in North Karnataka. It caters to patients from Goa and Maharashtra besides North Karnataka.

The dynamic leadership of Dr. Prabhakar Kore, MP, Chancellor, KLE University, Belgaum, deserves due acknowledgement for all the quantum leaps and spectacular growth, the Society has achieved especially after 1984.

ABOUT COLLEGE

K. L. E. Society's P. C. Jabin Science College is the first single faculty Science College started in 1957 to impart need based and quality education to the students of North Karnataka. Our college is named after Late Shri Parappa Channappa Jabin of Hubli. The Principal Donor is Smt. Channamma Parappa Jabin. This College offers UG Courses in B.Sc., BCA and PG Courses in Computer Science, Biotechnology and Chemistry along with Certificate courses. It is the first college to be accredited by NAAC in Karnataka University, Dharwad.

This college is recognized as a "Lead College" by the Commissionerate of Collegiate Education, Govt. of Karnataka and also recognized as "College with Potential for Excellence" by UGC. At present the college is functioning under Autonomous mode.

OUR DEPARTMENT

The Department of Chemistry is full-fledged with five well equipped laboratories, a research laboratory facilitated with modern research equipments, a computer room and Department library. There are nineteen devoted, experienced staff including Eight doctorate degree holders. Our department offers PG programme in Chemistry.

INTERNATIONAL YEAR OF CHEMISTRY

The Union General Assembly, UNESCO executive Board and International Union of Pure and Applied Chemistry (IUPAC) approved a resolution in favour of proclamation of 2011 as the International Year of Chemistry (IYC 2011)

Under the unifying theme, "Chemistry-Our life, our future", IYC 2011 offers a wide range of interactive, educational and entertaining activities for all ages. IYC 2011 is intended to reach across the globe, with opportunities for public participation at the local, regional and national levels in addition to the international levels.

IYC-2011 is to celebrate 100th anniversary of Marie Skoldowska Curie, Nobel Prize winner and 100th anniversary of the founding of the International Association of Chemical Societies (IACS), the predecessor of IUPAC. The objectives of IYC-2011 are

- * To increase the public appreciation of Chemistry in meeting world needs.
- * To increase young people's interest in Chemistry.
- * To generate enthusiasm for the creative future of chemistry.

OBJECTIVES OF THE SEMINAR

1. To promote and popularise Chemistry amongst students
2. To ignite scientific temper
3. To explore talents of students
4. To inculcate research culture
5. To celebrate International Year of Chemistry in a meaningful and effective manner

THEME - "Chemistry our life, our future"

Sub-Themes :

- * Chemical impact on forestry
- * Pollution in Agriculture
- * Polymerisation and Bio-degradable polymers.
- * Heavy metals in Environment
- * Hazardous chemicals
- * Green Chemistry and Eco-balance
- * Bio-diesel as an alternate source of fuel
- * Impact of endosulfon on the health of human beings
- * Chemistry in our daily life.
