

Dr. Prabhakar Kore, M.P.
Hon'ble Chairman

ABOUT KLE SOCIETY BELGAUM

The KLE Society, which was founded in 1916, has been playing a key role in the academic and socio-economic uplift of North Karnataka in particular and at both the National and International level in general. KLE Society imparts education in every branch of knowledge, ranging from KG to PG. At present there are 215 educational institutions run by KLE Society. The Society offers courses in Science, Arts, Commerce, Medicine, Dental Science, Nursing, Pharmacy, Physiotherapy, Engineering and Computer science, Agriculture, Business Management, Hotel Management, etc. KLE Society's institutions of Higher Education are spread all over the country. The Society has collaborated with prestigious educational institutions of UK, USA, Malaysia, Zambia and China. Recently, all the Medical and Dental Institutions of KLE Society have been brought under one umbrella called KLE University.

Dr. Prabhakar Kore Hospital and Medical Research Centre, Belgaum which is a 1800 bedded hospital, is the only state-of-the art hospital in North Karnataka. It caters to patients from Goa and Maharashtra besides North Karnataka.

The dynamic leadership of Dr. Prabhakar Kore, MP, Chancellor, KLE University, Belgaum, deserves due acknowledgement for all the quantum leaps and spectacular growth, the Society has achieved especially after 1984.

ABOUT COLLEGE

K. L. E. Society's P. C. Jabin Science College is the first single faculty Science College started in 1957 to impart need based and quality education to the students of North Karnataka. Our college is named after Late Shri Parappa Channappa Jabin of Hubli. The Principal Donor is Smt. Channamma Parappa Jabin. This College offers UG Courses in B.Sc. and BCA and PG Courses in Computer Science, Biotechnology and Chemistry along with Certificate courses. It is the first college to be accredited by NAAC in North Karnataka.

This college is recognized as a "Lead College" by the Commissionerate of Collegiate Education, Govt. of Karnataka and also recognized as "College with Potential for Excellence with Phase-II" by UGC. At present the college is functioning under Autonomous mode.

2011-INTERNATIONAL YEAR OF CHEMISTRY

The Union General Assembly, UNESCO executive Board and International Union of Pure and Applied Chemistry (IUPAC) approved a resolution in favour of proclamation of 2011 as the International Year of Chemistry (IYC 2011)

Under the unifying theme, "Chemistry -Our Life, Our Future", IYC-2011 offers a wide range of interactive, educational and entertaining activities for all ages. IYC-2011 is intended to reach across the globe, with opportunities for public participation at the local regional and national levels in addition to the international levels.

IYC - 2011 is to celebrate 100th anniversary of Marie Skoldowska Curie, Nobel Prize winner and 100th anniversary of the founding of the International Association of Chemical Societies (IACS), the predecessor of IUPAC. The objectives of IYC-2011 are

- * To increase the public appreciation of Chemistry in meeting world needs.
- * To increase young people's interest in Chemistry.
- * To generate enthusiasm for the creative future of Chemistry.

OBJECTIVES OF

THE ONE DAY PROGRAMME

1. To promote and popularise Chemistry among students.
2. To enhance higher order of thinking skills in Chemistry.
3. To make students aware of trend setting Chemistry.
4. To celebrate International Year of Chemistry in a meaningful and effective manner.
5. To know Chemistry involved in life.

VISION GROUP ON SCIENCE & TECHNOLOGY

Vision group on Science and Technology (VGST) was constituted in October 2008 under the Chairmanship of distinguished scientist Prof. C. N. R. Rao, F.R.S. Chairman of the Science Advisory Council to Hon'ble Prime Minister, Government of India and National Research Professor, JNCASR.

VGST is a top advisory body to recommend Science and Technology Programs relevant to mandate of Dept. of Science and Technology. The objective is to encourage and promote Science and Technology education and research in the state. VGST plays an important role to enhance, strengthen educational institutions to meet Scientific and Technological needs. To fulfill these, VGST is involved in developing the mechanisms to bring a substantial increase in the Basic Science Education, Research and taking science to the masses through a wide range of activities. These programmes are implemented in association with state departments, autonomous institutions, universities, non-governmental organizations and educational institutions.

These one day programmes are organised in 35 places covering 7 regions across Karnataka State. One of the target group is High-School Students which is allotted to P. C. Jabin Science College, Hubli under the region of KLE University, Belgaum.

Note : We earnestly request you to depute 10 students of your institution to attend the programme.

Programme	Time	Guest / Speaker	ORGANIZING COMMITTEE :
Registration & Breakfast	09-00 to 09-30 am		Prof. V. B. Hiremath ... President
Inauguration	09-30 to 10-00 am		Dr. R. S. Totagi ... Member
Session-I (Lecture)	10-00 to 11-00 am	M. R. Nagaraju Yelahanka, Bangalore	Dr. M. I. Sambrani ... Member
Session-II (Lecture)	11-00 to 12-00 noon	Dr. C. V. Yelamaggad Centre for Soft Matter Research, Bangalore.	Prof. A. B. Shyadalgeri ... Member
Session-III (Lecture)	12-00 to 01-00 pm	Shri Ramachandra Mone VDS Boy's Comp. Jr. College, Gadag.	Prof. V. Y. Vasnad ... Member
Lunch	01-00 to 02-00 pm		Prof. (Smt.) S. M. Patil ... Member
Session-IV (Experiments)	02-00 to 03-00 pm	Prof. Keshav Bulbule S. Njaligappa College, Bangalore.	Prof. R. S. Badiger ... Member
Session-V (Experiments)	03-00 to 04-00 pm	Prof. Keshav Bulbule S. Njaligappa College, Bangalore.	Dr. S. B. Koujalagi ... Member
Valedictory	04-00 pm
