

Report of the Seminar on “Chemistry- Our Life, Our Future”

“From birth till death chemistry plays a significant role”, said Dr. S.A.Patil, Chairman, P.G.Studies in Chemistry, K. U. Dharwad in the inauguration of UGC sponsored State Level Seminar on “Chemistry- Our Life, Our Future” organised by K.L.E Society’s P.C.Jabin Science College, Autonomous, Hubli on 24 September 2011.

It was organised on the eve of the celebration of “2011-International Year of Chemistry” which marks the 100th year of Madam Curie winning the Nobel Prize and the 100th year of the establishment of the International Association of Chemical Societies.

He opined that, “everything around us is chemistry. In every nook and corner of our life chemistry is involved. Hence, chemistry is our life and future.” He took up one of the commonest elements such as water and analysed to show how it is essential for us to live.

President of the function, Prof. V.B.Hiremath remarked that Chief Guest Dr. S.A.Patil traced the history and importance of chemistry right from the five elements till Nanoscience technology. He addressed the student delegates and said that they are “the future chemists”.

The function began with an invocation by Ms. Sneha and group. Dr. R.S.Totagi, Head of the Department of Chemistry welcomed the Chief Guest, dignitaries and the gathering. Prof. V.Y.Vasanad, Organising Secretary, presented the objectives of the seminar. Dr. M.I.Sambrani proposed vote of thanks. Smt. Ashwini Tenginkai compered the programme. All the staff and students attended the function.

Report of the Valedictory session of the seminar on “Chemistry – Our life, Our Future

K.L.E. Society's P.C. Jabin Science College, Autonomous, Hubli organized a UGC sponsored one day State Level Seminar on “Chemistry – Our Life, Our Future” for degree students on 24 September 2011. Dr. S.A. Patil, Professor, Chairman, P.G. Dept. of studies in Chemistry, Karnatak University, Dharwad inaugurated the seminar. 53 students presented papers which were spread over two technical sessions.

In the valedictory function, student delegates gave their feedback and expressed their delight over the successful conduct of the event. The day long deliberations of the seminar were brought out in the form a book and CDs. And the CDs were given to all the colleges represented by the delegates.

Chief Guest of this session Shri J.P. Jabin, Chairman, Local Governing Body, P.C. Jabin Science College, Hubli said to the students, “Make use of such platforms to achieve more in your life.” He also thanked all the 53 paper presenters.

Prof. V.B. Hiremath, Principal, said, “Successful conduct of such a glorious events is possible only because of the team work of our faculty.” He also thanked all student delegates and all who made the event fruitful.

Prize distribution ceremony was held at the same moment for the best three paper presenters.

Dr. M.I. Sambrani, Vice Principal, opined in his presidential remarks, “There is no life without chemistry.” He urged the students to “go green.”

Prof. A.B. Shyadligeri welcomed the dignitaries and the gathering in the valediction. Prof. V.Y. Vasanth proposed vote of thanks. All staff and students attended the function.
