

Independence Day Celebration

K.L.E. Society's P.C. Jabin Science College celebrated 64th Independence **Day** in grandeur with national fervor. After hoisting the flag, Principal V. B. Hiremath spoke on the occasion. He said that our country is the only country which has achieved independence through truth, non-violence, sacrifice and marches. Today, India has excelled and proved its mettle in the fields of science, technology, agriculture, medicines and so on. Indian intellectuals are found working across the world, which is a matter of pride for us. He reminded the youths of their responsibility in building the nation and curbing the terrorism.

On the same occasion, the students of B.SC, Final year students performed a dance which picturized ***unity in diversity***.

The students, also, read self-composed poems, sung patriotic songs and delivered speeches. All the staff and students of the college were present.
