Objective:

Highly motivated and dedicated individual, loves to teach students to develop and promote, curiosity and creativity in biology topics.

Skills:

Karyotyping, Next generation DNA sequencing, Taxidermy, Cell culture and biochemical analysis, Molecular biology and techniques, Biotechnology, Plant and Animal tissue cultures, Teaching biotechnology topics

Key Achievements:

- NCBS: Research assistant intern
- SDM: Research assistant intern
- KLE: Assistant professor, Dept. Of Biotechnology and Micro-biology
- Organized Inter-National level conferences at Manipal and NCBS and attended national level conference at SDM.

Experience:

- **PC Jabin College, KLE, Hubballi**
Title: Department of Biotechnology and micro-biology
Designation: **Assistant Professor**
Duration: May 2022 to Till date
- **National Center for Biological sciences, Bangalore**
project Title: Cloning and molecular characterization of vitus vinefera
Designation: Research Assistant intern
Duration: February to December 2017
- **SDM Medical College, Dharwad**
Project Title: Tissue cultures and colon cancer
Designation: Intern
Duration: Januray to May 2022

Academics:

Masters of Science (Msc) Molecular biology and human genetics	Manipal Udupi	64.6%
Batchelors of Science (Bsc)	KCD Dharwad	82.03%

Interpersonal Skills:

- Good understanding of biology
- Strong knowledge of utilizing all modern teaching aid.
- Good command over practical skills.
- Ability to rapidly build relationship and set up trust.
- Confident and determined.
