Dear P.C Jabin Placement Team,

I hope this email finds you in high spirits. I am writing to express my heartfelt appreciation for the exceptional support and guidance provided by the Placement Department during my journey toward securing a placement.

I am thrilled to inform you that I have accepted a wonderful job offer at SAP Labs India, and I firmly believe that my success is largely attributed to the invaluable resources and efforts invested by the Placement team. Your dedication, expertise, and unwavering commitment to helping students like me navigate the challenging job market have truly made a significant impact on my professional development.

From the moment I stepped foot on campus, I was impressed by the array of career-oriented workshops, seminars, and networking events organized by the department. These events not only expanded my knowledge and skills but also allowed me to establish crucial connections with industry professionals. The insightful career counseling sessions, mock interviews, and resume critiques were instrumental in shaping my job search strategy, polishing my interview skills, and enhancing my overall marketability.

The tireless efforts of the Placement team to stay up-to-date with industry trends, employer demands, and technological advancements were truly remarkable. It is evident that your commitment to fostering the employability of students is unwavering, and I am grateful to have had the privilege of being a part of your esteemed institution.

The impact of your services extends far beyond my personal success; it resonates throughout the entire student body. I have witnessed firsthand how your team goes above and beyond to provide tailored support, instill confidence, and empower students to achieve their career aspirations. This level of dedication and genuine care truly sets P.C Jabin apart and reaffirms its status as an exceptional educational institution.

Please extend my deepest gratitude to each member of the Placement team. Your unwavering dedication, personalized guidance, and unyielding support have undoubtedly played a pivotal role in shaping my professional journey, and I am sincerely grateful for the positive impact you have had on my life.

Wishing you continued success in helping students embark on their career paths and with warmest regards,

Rakesh Aithal,

Career Guidance & Placement Cell

Feedback on placement drive.

Yahoo/Inbox

Uma Hk <umahk37@gmail.com>

To:pcj.placement@yahoo.com

Dear madam,

We got guidance and motivation from placement cell for every drive that visited college. Every drive was unique in its own way. Every drive was tailor-made to cater the needs of students in each step of the program. We young adults in the phase of graduation have a lot of questions & confusions regarding our future plans, career goals etc

Placement cell played a crucial role in untangling our confused minds & put it on FOCUS-MODE. So, I have immense gratitude. And I commend you ma'am for handling the task of guiding us with such efficiency.

They say with great power comes great responsibilities, and a placement officer holds the crucial key in guiding students onto the next stage of their lives. Placement cell did a wonderful job at it acting as our pole star in the uncertain wave of career. Everytime we turned to placement cell with questions & doubt we always left with solutions. We found all the information & moral support that was needed at placement cell. All credits to hardwork of placement officer who personally ensured every student to achieve best of their potential finding the appropriate dates and scheduling suitable drive. I particularly enjoyed the mock interview that was conducted pre-placement in collaboration with T.I.M.E Institute. It gave us an insight into nuances of corporate world and what would be expected of us in interview & how to tackle tricky questions. We learnt a great deal in this session. And the 3-day aptitude learning session was utmost useful. In the session of 3 days they managed time efficiently covering both quantitative & reasoning section of the aptitude test. And every session was handled by different individuals who taught us so how to approach aptitude questions in optimized ways.

The suggestion I would give is that,

Please make arrangements of MOCK TESTS before placement season begins & more time for MOCK INTERVIEW sessions so students could analyse themselves, understand their shortcomings & work on it. We were lucky enough we had this session, got to utilise the learnings to best of our knowledge.

Thank you so much for adding value to our student lives & showing us right direction to grow up as independent adults.

Thank you,

Uma H K

Hello Sneha mam,

I thank you very much for all the efforts you have put in helping us students right from understanding the corporate world to handling all human resource procedures, thus enabling a seamless transition.

Your assistance and trainings during my onboarding in Wipro had a great impact on my learning and growth in the industry to which I must say the placement cell did fantastic job in helping students.

I also feel great to have been part of an alumni association where I was invited to speak about corporate readiness. Events like this surely help in transforming students' academic mindset to meet industrial needs just as it did for me.

Dear madam,

Thank you for making are future bright and making us find our way so easily.

We got guidance and motivation from placement cell for every drive that visited college. Every drive had its own rules and regulations but placement cell made us acquaintedage with every drive that came.

For every problem that we had, there was solution for it from the placement cell. We found all the information that was needed at all the times we visited placement cell. It's also because of placement officer hardwork who continuously works for the future of the students. Finds the appropriate dates and schedule the drive.

The suggestion I would give is that,
Please make arrangements of aptitude sessions and before companies come keep a session in which students understand what is the process of recruitment. We were lucky enough we had this session.

Once again thank you so much for making our lives better.

Hello,

This is Pratibha Tigadi, I was a student of P C Jabin and passed out in 2020 October. I m currently working as junior assistant in IIT DHARWAD from 2023. The placement cell in Jabin is pro active. I personally feel Sneha mam is a down to earth personality. She gives all updates in faster manner. The companies visiting college are also prestigious one.

As a freshers we were not knowing abt many things of placement in initial days but mam let us know all things in right direction at that time... It helped me in acquiring this current job too. My heartfelt thanks to placement cell.

Dear Madam,

My sincere appreciation & gratitude to the Training & Placement Department.

The Placement cell has given the assistance for developing the soft skills. It has also given the career guidance which has helped me and other students to design their bright future. Various programmes were conducted in the campus that has inspired us and made a way towards our goal. Besides the Placement cell has conducted training for developing technical and communication skills which has made us a ready candidate for interviews. I am privileged to get trained here and I am very grateful to the Placement officer Mrs Sneha Sapare mam for the support and assistance.

Thank you.
