To prepare our students as world academic leaders, the college organizes various activities; initially at the entry level of Student College has practice of conducting "INDUCTION PROGRAM" since 2006. Which is very necessary for every student to acclimatize himself/herself to the new environment of the college?

### ABOUT INDUCTION PROGRAM

Students come with diverse thoughts, backgrounds & perceptions. Hence it becomes important to help them adjust to the new environment & inculcate the ethos of the institution with a sense of larger purpose. The Orientation program helps to expose students to facilities and rules and regulations of the college. It is organized with a view to promote all-round development and exposing learners' stigmas to minimize and to maximize their learning.

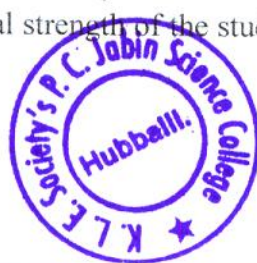

Hence it becomes important & inculcates the ethos of the institution with a sense of larger purpose. One day induction program is organized with an objective to provide a platform for the transition of students from pre-University level to Graduation through whole day interaction of faculty and Resource persons with students by conducting various activities and games. Orientation program equips entrants not only with the boost to their educational pursuits but also with the work-culture and various institutional activities.

### OBJECTIVES

- To build strong relationships with faculty, advisers and other classmates.
- To focus on ethical behavior and moral fortitude
- To make students feel comfortable and sensitize them towards exploring their academic interests and activities.
- To nurture a deeper understanding of the local and global world and our place as concerned citizens of the world
- To provide adequate foundation in the core applied science subjects and english limited to moderate level
- To provide them information regarding rules, regulations and facilities in the college
