ANALYSIS REPORT 2022-23

1. Annually the college conducts Students Satisfactory Survey on the overall institutional performance. The survey comprises of students satisfaction on curriculum and teaching learning process. It is designed by the autonomous college so as to benefit students to acquire knowledge and life skills.
2. A survey on a structured questionnaire was taken online from the students of B. Sc and BCA. The questionnaires framed by the NAAC were used in the online survey. A total of 1112 students participated and responded. In the analysis of the survey, there was a satisfactory outcome. Based on the analysis, students are highly satisfied with the design of the need-based curriculum, relevant skill based and employability factor.
3. The students have appreciated well for teaching learning process.
4. The transparent evaluation process is the core value of the college, students are very comfortable and satisfied.
5. The institute actively participate in the internship, field visit for experiential learning for the students.
6. Student focused mentoring within an institution concentrates on individualized support for students. This involves academic guidance, personal development and addressing challenges to ensure a positive learning experience and students have responded positively towards the mentoring system. This helps a supportive environment that goes beyond academics to help them thrive socially and emotionally.
7. Teachers diligently identify students strengths and weakness to address the individual needs. Additionally they actively engage in organizing and promoting extracurricular activities fostering a holistic educational environment to enhance overall development of students.
8. Some suggestions of the students are listed here:
 - To conduct more field visits.
 - Demand for more practical classes than theory.
 - Need competitive exam questions
